

Bonita is a pretty bay mare that made her home in Main and Coal Canyon. Once in a while you would see her in the Lowgap/Round Mountain area, but she preferred Main/Coal as her home. She found her true love Magnum and they were inseparable. They started a family adding a dun filly ( Shiva ) – 2012 and a red dun filly ( Dazzle ) – 2013. Magnum passed away 2015 leaving Bonita to find another sidekick. She found Spin a palomino stallion and hung out with him, they started a family and added a very cute palomino colt named ( Whirl ) in 2015. Whirl and Dazzle will remain on the range to carry on the genetics. The FOM hopes that Bonita and Shiva will find their forever homes with great people.
