

## **PINON** by Renee Edel

Pinon is a 4 year old bay mare with a narrow blaze and 2 rear socks. She had a colt Cypress, (still on the range) almost 2 years ago, and she was pregnant when she was trapped on the Little Book Cliff Wild Horse Range last fall. She has spent most of her life in the remote part of the wild horse range called Monument Rock, and also high up in Coal Canyon. I don't think she has seen many people, but I have had the pleasure of seeing her 6-8 times. She always watches me carefully, but doesn't seem uncomfortable with my presence. She was calm in the trap after she was caught.

What I think is most stunning about Pinon is her beautiful, long, flowing mane. She is a beautiful mare with kind eyes. I believe a calm and loving human would really enjoy having this sweet horse.
