

River is a beautiful bay colt born in 2016. He was born, and stayed, in the Main Canyon area of the Little Book Cliffs horse range. He is a very well built, nicely put together horse. While watching Dazzle and her foal, the band stallion came close so Dazzle led her foal up a steep hillside and he had no trouble keeping up with her. His dam is Dazzle, a dun mare and his sire is either Magnum, a dun stallion or Spin who is a palomino stallion. As you can see, he has some pretty good looking parents, so you can't go wrong with this handsome boy. Besides, who doesn't love a good bay horse!
